SCALE YOUR SALES

# Seamless Procurement-Ready Integrations

## The 3-Step Punch-Out Workflow

### Integrated Access

Buyers click your supplier link directly within their internal procurement platform.

### Real-Time Branded Shopping

Customers shop tailored catalogs with live stock, negotiated pricing, and global shipping.

### Automated Order Sync

Cart details "punch back" for approval, triggering a PO without manual entry.

## Plug in. Layer on. Optimise.

## The Strategic Advantage

**31%**

**Reduction in Procurement Costs**

### Manual Process

Average Cost Per Order **£109+**
High risk of error

### FullWorks Punch-Out

Average Cost Per Order **£75**
Real-time / Automated

### Elimination of "Rogue Spending"

Role-based approvals and contract-only pricing ensure 100% corporate compliance.

### "Sticky" Client Relationships

Integration creates loyalty, making your shop a permanent part of the client's workflow.
